BUILDING THE FUTURE WITH ADVANCED CONSTRUCTION SOLUTIONS

Adhveya Drymix India Pvt. Ltd. is a specialized manufacturer of advanced dry-mix construction chemicals, delivering engineered solutions for modern construction requirements.

Our products are developed to enhance durability, structural strength and long term performance across residential, commercial, industrial and infrastructure applications.

Founded by industry professionals with deep expertise in construction materials, chemical solutions and project execution, Adhveya was established with a clear vision to bring innovation, precision and reliability to construction chemical manufacturing.

With extensive industry experience and a global outlook, **we have experience with international markets and are bringing world class construction chemical solutions to India.**

Through advanced formulations, stringent quality standards, consistent manufacturing processes and strong technical support, Adhveya partners with contractors, engineers, architects, developers and distributors to deliver reliable and high performance construction solutions.

OUR STRENGTHS

Led by professionals with 25+ years of industry experience

Advanced product solutions for modern construction needs

Global perspective

Partner focused approach built on trust and long term relationships

MANUFACTURING EXCELLENCE

Our state of the art manufacturing facility in Gujarat, India, is equipped with advanced technology and modern production systems.

We focus on quality, consistency and reliability at every stage of manufacturing to deliver products that professionals can depend on.

OUR COMMITMENT

QUALITY FIRST

Every product is manufactured under strict quality control standards.

INNOVATION DRIVEN

Continuous research and product development to meet evolving construction needs.

CUSTOMER FOCUSED

Understanding project challenges and delivering solutions that add real value.

ADVANCED FACILITY

State of the art manufacturing plant with modern production technology.

RELIABLE PERFORMANCE

Products engineered for consistent results and long term durability.

SUSTAINABLE APPROACH

Responsible practices and eco-conscious solutions for a better tomorrow.

OUR SOLUTION PORTFOLIO

Engineered construction chemical systems for every stage of modern construction—from foundation to finishing.

01 | TILE ADHESIVE SOLUTIONS

High-performance tile fixing systems for residential, commercial and heavy-duty applications.

02 | MASONRY SOLUTIONS

Engineered mortars for AAC blocks, block laying and durable masonry construction.

03 | WATERPROOFING & SURFACE PROTECTION

Advanced waterproofing systems and protective coatings for long-term durability.

04 | CONCRETE REPAIR & BONDING

Repair mortars and bonding systems for structural restoration and rehabilitation.

05 | FLOORING SOLUTIONS

Industrial flooring systems for strength, wear resistance and decorative finishes.

06 | GROUTING SOLUTIONS

Precision grouts for equipment foundations, machine bases and structural applications.

07 | CONCRETE CURING SOLUTIONS

Efficient curing compounds that improve hydration and long-term concrete performance.

08 | PREMIUM SOLUTIONS

Specialized technologies for demanding construction environments.

COMPLETE SOLUTIONS. ONE TRUSTED PARTNER.

Explore our detailed Product Catalogue for technical specifications, packaging and application information.

YOUR TRUSTED PARTNER IN MODERN CONSTRUCTION

WHY PARTNERS CHOOSE ADHVEYA

ENGINEERED FORMULATIONS

Advanced formulations designed for superior performance and long-term durability.

RELIABLE MANUFACTURING

State-of-the-art facility with strict processes ensuring consistency and reliability.

CONSISTENT QUALITY

Stringent quality control at every stage for products you can trust, every time.

TECHNICAL SUPPORT

Expert technical guidance and on-site support to help you build with confidence.

TIMELY SUPPLY

Efficient operations and logistics to ensure on-time delivery, every time.

CUSTOMER-CENTRIC APPROACH

We build lasting relationships through trust, transparency and shared success.

GLOBAL OUTLOOK

From residential developments to large-scale infrastructure, Adhveya delivers construction chemical solutions engineered for modern projects across **India, South Asia, the Middle East, and Africa.**

“ **STRENGTH ENGINEERED.
EXCELLENCE DELIVERED.** ”
